STATINTL

1. Delivered to Mr. Beach of the staff of the Joint Committee on Printing a letter from [REDACTED], addressed to Senator Jenner, dated 22 Nov, giving CIA printing and binding expenditures. Requested Mr. Beach to return these figures when the Committee had finished using them, and asked that they not be published. He promised to comply with this request.

2. Spoke with Grover Ensley, office of Senator Flanders, regarding the proposed Federal pay bill. He stated that the whole matter was being turned over to the President for coordination.

3. The Director returned to me my memorandum of 16 Nov, subject, Proposed CIA Law for Admission of Aliens, and stated that Under Secretary Lovett had approved it.
